This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:
This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:
following limitations and conditions:
This permit is issued subject to all existing rights on the
source and is limited to what the well will produce but not to
exceed 2.7 c.f.s. It is understood that this right must allow
for a reasonable lowering of the static water level at permittee's
well due to other ground water development in the area. A sub-
stantial weir or other type of measuring device must be installed
and measurements of water use kept, and a method provided, either
air line or opening, for measuring depth to water. The State
retains the right to regulate the use of the water herein granted
at any and all times.
The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and
not to exceed 2.7 cubic feet per second. Or a yearly duty of
5.0 acre-feet per acre of land irrigated.
Actual construction work shall begin on or before December 16, 1961
Proof of commencement of work shall be filed before
